- (a) No representative or agent has any authority to vary these conditions without the confirmation in writing of a Director of the Company.
- (b) Subject to any variation in accordance with clause 1(a), these Conditions (together with matters referred to on the face of the Company's quotation and/or order confirmation) embody the entire understanding of the parties and override any prior promises, undertakings or representations.

The Customer acknowledges that the description of the goods may be changed by any of our manufacturers after an order for the goods has been accepted by the Company.
- (e) In respect of any order for goods placed by the Customer and accepted by the Company, the Customer acknowledges that the manufacturer, may supply the Company with a more modern equivalent type of the goods to be supplied to the Customer. The Customer shall accept such more modern equivalent of the goods ordered by it PROVIDED THAT, if there is a price increase as a result of the more modern type of goods supplied, the Customer may, at its option, terminate its order for the goods at any time prior to delivery.

2. BASIS OF SUPPLY

- (a) The Company shall supply the goods to the Customer in accordance with these Conditions.

Such repair or

replacement will be carried out either by the Company itself. In the case of engines only, whether supplied as part of a complete machine or as a spare part, the warranty will extend to 24 months or 1,500 hours, whichever occurs first, calculated from the date of delivery to the Customer.
